

FOR IMMEDIATE RELEASE

Thirty-eight Scientists Elected to the American Academy of Microbiology

Washington, DC - Monday, February 11, 2008 - Thirty-eight microbiologists have been elected to Fellowship in the American Academy of Microbiology. Fellows of the Academy are elected annually through a highly selective, peer-review process, based on their records of scientific achievement and original contributions that have advanced microbiology. There are now over 2,000 Fellows representing all subspecialties of microbiology, including basic and applied research, teaching, public health, industry, and government service.

- **Klaus Aktories**, Institute of Experimental and Clinical Pharmacology and Toxicology, Freiburg, Germany
- **Angelika Amon**, Massachusetts Institute of Technology, Cambridge
- **Stuart J. Austin**, National Cancer Institute, Frederick, MD
- **Abdu F. Azad**, University of Maryland School of Medicine, Baltimore
- **Mervyn J. Bibb**, John Innes Centre, Norwich, United Kingdom
- **Michael J. Brennan**, Food and Drug Administration, Silver Spring, MD
- **Alistair J.P. Brown**, University of Aberdeen, United Kingdom
- **Donald E. Canfield**, University of Southern Denmark, Odense, Denmark
- **Nicholas P. Cianciotto**, Northwestern University, Chicago, IL
- **Guy R. Cornelis**, Biozentrum der Universitat Basel, Switzerland
- **Seth A. Darst**, The Rockefeller University, NY
- **Thomas M. Embley**, University of Newcastle, United Kingdom
- **Paul G. Falkowski**, Institute of Marine and Coastal Sciences, New Brunswick, NJ
- **Larry J. Forney**, University of Idaho, Moscow
- **Patricia L. Foster**, Indiana University, Bloomington

- **Guido Funke**, Gaertner & Colleagues Laboratories, Ravensburg, Germany
- **Jeffrey F. Gardner**, University of Illinois, Urbana
- **Kenn Gerdes**, Institute for Cell and Molecular Biosciences, Newcastle, United Kingdom
- **Bernhard Hube**, University of Jena, Germany
- **James A. Imlay**, University of Illinois at Urbana-Champaign
- **Theodore S. Jardetzky**, Stanford University School of Medicine, CA
- **Nancy P. Keller**, University of Wisconsin, Madison
- **David L. Kirchman**, University of Delaware, Lewes
- **Theresa M. Koehler**, University of Texas- Houston Medical School
- **Paul N. Levett**, University of Regina, Saskatchewan, Canada
- **Daniel J. Lew**, Duke University Medical Center, Durham, NC
- **Anthony T. Maurelli**, Uniformed Services University of the Health Sciences, Bethesda, MD
- **Larry S. McDaniel**, University of Mississippi Medical Center, Jackson
- **Cesare Montecucco**, University of Padova, Italy
- **Dianne K. Newman**, Massachusetts Institute of Technology, Cambridge
- **Tommy J. Phelps**, Oak Ridge National Laboratory, TN
- **William S. Reeburgh**, University of California at Irvine
- **Sergio Sanchez**, Universidad Nacional Autonoma de Mexico
- **Gary K. Schoolnik**, Stanford Medical School, CA
- **Paul C. Schreckenberger**, Loyola University Medical Center, Maywood, IL
- **Irwin W. Sherman**, University of California, Riverside, Del Mar, CA
- **Ralph S. Tanner**, University of Oklahoma, Norman
- **Malcolm S. Whiteway**, NRC Biotechnology Research Institute, Montreal, Quebec, Canada

For more information regarding these Fellows, election to Fellowship, or specific programs of the American Academy of Microbiology, contact Peggy McNult by telephone at 202-942-9225 or by email at pmcnult@asmusa.org.
